

BELOW 100 Train-the-Trainer

This New York State Association of Chiefs of Police in conjunction with Orange County Police Chiefs Association is pleased to announce hosting a BELOW 100 Train-the-Trainer course in the City of Newburgh.

This course is designed to drastically reduce law enforcement Line of Duty Deaths (LODD's) and specifically addresses the operational areas of law enforcement that contribute to the greatest number of LODD's, but are in large part preventable. The Below 100 program is an effort to instill a culture of safety in law enforcement agencies that will progressively reduce national LODD's to Below 100 annually.

The Instructor Course is a "Train the Trainer" course and prepares attendees to conduct Below 100 training on their own in their local area. These Instructor courses will allow police trainers to bring this valuable, motivational, and inspirational knowledge back to their brother and sister officers!
